Policy on Charitable Contributions & Donations

We have always believed that it is important to give back to our community. Over the years, we have provided support to numerous organizations and individuals that have had a cause or a need that touched our hearts.

It is not unusual for Green Acres to receive several requests for charitable donations every month. As much as we would like to, it is not financially possible for us to respond favorably in every case. In order for us to objectively and fairly evaluate each request, we ask that all solicitations be in writing and on the letterhead of the organization or individual seeking the donation. Each request should include:

- 🐾 An overview of the organization.
- 🐾 How you or your organization is familiar with Green Acres Kennel Shop.
- 🐾 Proof of the organization's 501(c) (3) not-for-profit tax-exempt status.
- 🐾 An indication of what you are requesting (cash donation, services, merchandise, gift certificate, etc.).
- 🐾 A description of the project or event for which the donation will be used.
- 🐾 The date that the donation will be collected.
- 🐾 How Green Acres' contribution will be acknowledged.
- 🐾 A name and contact information for an individual who can discuss any questions that we may have regarding this contribution.

We look forward to learning more about your organization and receiving your contribution request. You can expect to hear from us within four weeks of your submission.
