## Policy on Requests for Printed Advertising

As a business, Green Acres advertises its services and products through several different media, ranging from television and radio, to small, community printed publications, to programs for non-profit organizations. It is not unusual for several different groups to ask us to market our business with them throughout the year. In order for us to objectively and fairly evaluate each advertising proposal that we receive we ask that all such offers be in writing and on the letterhead of the applicable organization. Each offer should include:

- 🐾 An overview of the organization and its publication.
- 🐾 How you or your organization is familiar with Green Acres Kennel Shop.
- 🐾 A current rate sheet.
- 🐾 A sample of previous yearbooks/programs/etc. that the organization has produced.
- 🐾 An estimate of how many copies of our ad will be printed and how many people will potentially see it.
- 🐾 A list of two other businesses that have advertised with you in the past and references at those businesses.
- 🐾 A description of how advertising with your organization will reach our target market of companion pet guardians.
- 🐾 The name and contact information for an individual who can meet with us in person if we choose to pursue advertising with your organization.
- 🐾 If it is for a non-profit, proof of the organization's 501(c) (3) not-for-profit tax-exempt status.

We look forward to learning more about your organization and reviewing your advertising proposal. Thank you for your interest in Green Acres Kennel Shop.
