[***Bangor***]— Our 2013 fundraising project for the Eastern Area Agency on Aging Furry Friends Food Bank resulted in donations from 76 clients totaling $1387 which we have matched with an additional $1000, bringing our total to $2387.

All funds raised will be used to buy pet food, at wholesale prices, for distribution by the Furry Friends Food Bank. Thank you clients and community for supporting this effort.

Green Acres Kennel Shop owner Don Hanson states: "We can't do enough to thank our clients and others in the community for their generosity in donating to this cause year after year. The Furry Friends Food Bank is a vital part of keeping seniors and their pets together which is critical to their wellness. By helping seniors feed their pets we are helping to ensure they have funds left over for their own food, medications, and other essentials like fuel oil. While this particular fundraising event is over for the year, we will continue to accept food donations in our store for this worthy cause and will have a similar event to the last one in the Fall of 2014."
