[***Bangor***]— For the eighth year in a row, Green Acres Kennel Shop has been voted the Bangor Regions Best Kennel in a survey conducted by Market Surveys of America. They were also voted the Bangor Regions Best Pet Store for the third consecutive year.

"Green Acres has been successful because of our great clients who entrust us with the care of their four-legged best friends, or as we often call them "fur kids. However, it's not the clients alone. Paula and I are very fortunate to work with a great group of people here at Green Acres, many who have been with us for well over 10 years" stated Green Acres co-owner, Don Hanson.

Additionally, Best Businesses of America has recognized Green Acres Kennel Shop has one of the top 40 kennels in New England as a result of their consistent record of high scores with Market Surveys of America.

Market Surveys of America is a survey company independent of any newspaper or magazine publication. Their "Best of the Best" winners are determined by tallied public ballots taken throughout each specific region, and by their website (http://www.bestofsurveys.com).
