[***Bangor***]— - Green Acres Kennel Shop is now offering a Puppy Headstart class that is four weeks in length, costs only $40 and has an open enrollment policy. This means that there will be a class starting **every** Thursday and Saturday and it will no longer be necessary to wait until a class is available. A puppy has a key learning and socialization period from 8 to 16 weeks of age and will do best when it starts a class as soon as possible within that time frame. Topics covered (housetraining, play biting, chewing, socialization, jumping, nutrition, handling for grooming and examination, and general management) do not need to be taught in a sequential order, so students and their puppies can start at any point. Puppy Headstart classes will be taught under the supervision of one of Green Acres five Certified Pet Dog Trainers.

In business since 1965, Green Acres Kennel Shop at 1653 Union Street is an American Boarding Kennel Association (ABKA) accredited facility offering boarding, daycare and grooming for dogs and cats, as well as pet behavior consultations and training classes. The Green Acres retail store offers a wide variety of wholesome pet foods, treats and quality supplies. For more information, please call 945-6841 or visit www.greenacreskennel.com.
