[***Bangor***]— For the tenth year in a row, Green Acres Kennel Shop has been voted the Bangor Regions Best Kennel in a survey conducted by Market Surveys of America and the GKM Independent Survey Co. Green Acres was also voted the Bangor Regions Best Pet Store for the fifth consecutive year and the Best Dog Trainer. This is the first year the dog training category has been included in the survey.

“All of us at Green Acres want to thank our many wonderful clients who entrust us with their "furkids" and who took the time to vote for us in the survey. Paula and I are very fortunate to have such a great staff, because we know that they are the reasons we continue to win these awards.” stated Green Acres co-owner, Don Hanson.

Market Surveys of America is a survey company independent of any newspaper or magazine publication. Their “Best of the Best” winners are determined by tallied public ballots taken throughout each specific region, and by their website (http://www.bestofsurveys.com).
