[***Bangor***]— Green Acres Kennel Shop has been voted the Bangor Regions Best Kennel for the fourteenth consecutive year in a survey conducted by Market Surveys of America and the GKM Independent Survey Company. Green Acres was also voted the Bangor Regions Best Pet Store for the ninth year in a row, the Best Dog Trainer for the fourth consecutive year, and the Best Pet Groomer for the third year in a row.

Green Acres co-owner, Don Hanson stated "We cannot thank the great Bangor community enough for their continued support of Green Acres Kennel Shop and our employees. Caring for your pets when you go away, making them look their best, teaching you about cats and dogs and how to live with them in harmony, and helping you find wholesome food and quality products at a fair price, and giving back to the community; that's what we're all about. Paula and I will be celebrating our 20th year as Green Acres' owners later this fall, as the business reaches its 50th anniversary. Those are milestones we would not achieved without the community and our tremendous team of employees. Thank you!"

Market Surveys of America is a survey company independent of any newspaper or magazine publication. Their "Best of the Best" winners are determined by tallied public ballots taken throughout each specific region, and by their website (http://www.bestofsurveys.com).
