[***Bangor***]— On Saturday, May 31st, Green Acres Kennel Shop will be hosting a Pet First Aid and CPR Seminar taught by Certified Pet Tech Instructor Tracy Haskell. This 4-hour PetSaver Program will teach participants Pet CPR, Pet First Aid, and basic care and handling that can be used in the event of emergencies. Participants will receive a first aid book and a certificate of completion.

At the completion of the program participants will have the resources they need to keep their pet safe, healthy, and happy. Whether your pets just hang around at home with you or live an active and adventurous life, the knowledge you gain in this class may possibly save a pet's life.

The seminar will run from 1PM until 5PM. The fee for the seminar is $50, with $10 from each enrollment being donated to the beneficiary of our June fundraiser. To ensure sufficient practice time, space is limited to 10 participants, so don't delay! Call Green Acres at 945-6841 to register.
