[***Bangor***]— On Thursday, January 26th at 6:00PM Green Acres Kennel Shop will be hosting a free seminar that will focus on optimal nutrition for pets. Don Hanson, BFRAP, CDBC, CPDT-KA and co-owner of Green Acres Kennel Shop will discuss common myths about pet food and how to choose the best pet food for your pet while staying within your budget. He will help pet parents differentiate between the important information on a bag of pet food and the hype. Don will also demonstrate how to calculate the true cost of a pet food.

The seminar is free but donations of cash or pet food for the Eastern Area Agency on Aging Furry Friends Food Bank will be accepted gratefully.
